

## **Become A Preferred Vendor For The CIDcash Payment System**

Join the paperless revolution and stop processing your receivables the old-fashioned way. Save time, money, and stress by receiving electronic payments from management companies instead of paper checks.

### **Benefits for Management Companies:**

- Gain increased fraud control
- Realize a streamlined accounts payable system
- Reduce payment processing costs

### **Benefits for Vendors and Suppliers:**

- Receive payments quicker, most within 24-48 hours of pay order processing
- Ability to set up automatic payments for recurring monthly invoices
- Reduce payment processing costs internally
- Eliminate the need for extensive collections follow up
- Gain improved cash flow
- Benefit from the Referral Source program and gain introductions to all management companies using the CIDcash payment system.

### **Sign Me Up! How Do I Enroll To Become Visa Ready And Accept CIDcash Payment Cards?**

- Step 1: Complete a short enrollment application by phone with an Agent Bank Center representative.
- Step 2: Once your application is approved, install PC Charge Software on your computer. The software is included in your enrollment package.
- Step 3: Your management company (s) will be notified that your company is ready to accept electronic payments and they will begin issuing your company pay orders.
- Step 4: Process all of your pay orders via your new software/online and receive payments electronically within 24-48 hours.

### **Fee Schedule:**

- \$290 one-time application fee, which includes PC Charge Pro software.\*
- Lowest rate 'card not present' bank processing for CIDcash transactions.\*\*
- \$10 monthly service fee, which includes the monthly statement and toll-free 24/7 helpline.
- 25 cents per transaction

\*Based on current software costs.

\*\*Current rate based on capturing Level 2 data when processing pay orders. Bank processing rates are subject to review and adjustment and are based on interchange.
